GLOUCESTERSHIRE AAA's TRACK APPEAL

Please purchase a share in the future of athletics in Gloucestershire by supporting the county athletics association's appeal for funds towards the provision of an 8-lane athletics track. Gloucestershire currently has a group of young athletes who are among the best and most exciting in the country. Athletes such as Emily Pidgeon, James Brewer, Sarah Hopkins, James Campbell, Tom Russell, Wendy Jones and many others have already received national and international honours and have demonstrated they have the talent and ability to go a long way in the sport of athletics.

What Gloucestershire does not have is an 8-lane athletics track to support them and give them the best chance of success in either the 2012 Olympics or other subsequent major championships events. But with the help of enough people it can happen and we can get a suitable track put down at Plock Court on the edge of Gloucester as part of the city council's development of the sports facilities on that site. Gloucester City Council have set aside a sum of money towards the track project for which we are very grateful but we, the athletics community, must be seen to be doing our fair share.

Gloucestershire AAA has undertaken to do this and is seeking the support of individuals, businesses, companies, clubs, etc to do so. If enough people put in a simple donation of £10.00 and enough businesses, etc put in donations of £50.00, £100.00, £250.00, £500.00, £1000.00 or more then we can soon reach our target of £250000. Mighty oaks from little acorns grow and so your personal donation can make a difference. The Plock Court site with its access to the sports science facilities at the Oxstalls university campus plus further facilities at Bishops College and the Indoor Tennis Centre presents an excellent environment in which athletes can thrive and develop. Please support this appeal in any way you can by sending your donations to the Appeal Secretary,

Bob Purcell
13 Ardmore Close,
Tuffley,
Gloucester, GL4 0BJ.

Cheques should be made payable to 'A Track for Gloucestershire'. Everyone donating will be listed in a donations register which will be retained in perpetuity by the county association as a memorial to the generosity of the county's residents and organisations, and acknowledged on our web site. Thank you.

The Appeals Committee
Bob Purcell, Mick Morris, Albert Gardiner, Lorraine Shaw, Chris Brown.
